*Awards & Accolades*

Your adventure land!  
**CALAVERAS**

CALAVERAS WINEGRAPE ALLIANCE

**LAID BACK WINE COUNTRY** You can literally do wine country on foot in Calaveras. With more than 30 wineries and nearly 20 of them with tasting rooms within walking distance from one another along Murphys' Historic Main Street, it's easy to enjoy a fun day of wine tasting. But don't miss the chance to hop in your car to hit up a few of the scenic wineries that are mere minutes from downtown and offer the authentic winery experience complete with wine caves, stunning views and even a Rubber Chicken National Forest. Oh, and did we mention [Calaveras Wine Country](#) is a snob-free zone? (Click link to see a quick, fun video put together by the Calaveras Winegrape Alliance).

Not to boast, but Calaveras County wines win awards wherever they're entered... and not all of our wineries enter wine competitions. So don't let this list fool you into thinking that only the best Calaveras wines are represented here. This list is intended to demonstrate the quality and variety of wines available here in Calaveras County, part of the Sierra Foothills wine region in California's historic Gold Country.
